THROUGH : Director of Administration, DPD-DD/P
SUBJECT : [REDACTED]
Brig. General, USAF

1. This is to advise you that captioned Subject was briefed by a representative of my Staff on Project CORONA on 26 January 1959. You may recall that on 16 January 1959, you and [REDACTED] of my Staff attended a meeting in the office of Colonel Richard Stewart in the Pentagon Building. At that time General Greer was called in as Consultant and indicated a knowledge of CORONA.

2. The matter of [REDACTED] knowledgeability was diplomatically discussed with [REDACTED] to whom General Greer is Deputy, and he indicated that evidently [REDACTED] had become generally knowledgeable through his work in the missiles and intelligence field, and apparently his dealings brought him in close proximity to Project CORONA matters. [REDACTED] advised that not having [REDACTED] cleared and briefed on Project CORONA had created somewhat of a hardship [REDACTED] his staff and he asked that [REDACTED] be so briefed. [REDACTED] conversation with [REDACTED] revealed that [REDACTED] deductions as to Greer's knowledgeability were substantially correct although left unexplained was [REDACTED] apparent knowledge of the Project name, CORONA.
